

Global Responsibility of the Interconnected World

One World, One Responsibility

Our ^{actions} ~~works~~ impact/affect the whole world. In the past, in a distant country, the actions of a cruel ruler had ^{little} minimal impact on India or China. Though, imperfections and uncivilized deeds bring suffering. The Global interconnectedness thinking has unified the entire World into a single community.

N.B):

- ① Focus on using more precise vocabulary, correct grammar (especially articles and word choice).
- ② Smoother sentence construction to make your piece more concise, coherent and polished.
